

Monitoring Explanation Sheet – Year 10

The Internally Assessed Grade (IAG) is the grade achieved in either the recent subject exams or a department milestone grade. These grades are fine graded and the letter, H, M or L, represents how secure the GCSE grade achieved is, so a 5H represents a very secure Grade 5 whereas a 5L is far less secure.

The fine grade structure is:

Fine Grade (9-1)	Examples	Explanation of Fine Grade
H	9H, 8H, 7H, 2H, 1H etc	At their current rate of progress, your child will secure this grade at the conclusion of the course. With intervention and/or further improvement in their attitude, they have the potential to achieve the grade above.
M	9M, 8M, 7M, 2M, 1M etc	At their current rate of progress, your child should secure this grade at the conclusion of the course.
L	9L, 8L, 7L, 2L, 1L etc	At their current rate of progress, your child is capable of securing this grade at the conclusion of the course. However, without intervention and/or further improvement in their attitude, the result could drop to the grade below.

The Predicted End Grade (PEG) is a professional predication by your child's teacher and is the current 'most likely' grade your child is likely to achieve at the end of their KS4 course if they continue to work and make progress at the current rate.

Internally Assessed Grade (IAG) for non-GCSE subjects are:

Science – Double Award:

The students who follow this course will obtain the equivalent of 2 GCSE qualifications, graded 9 - 1 and will cover all 3 Sciences: Biology, Chemistry & Physics.

The GCSE grades achievable are: 99, 98, 88, 87, 77, 76, 66, 65, 55, 54, 44, 43, 33, 32, 22, 21 & 11.

The **KS4 Target Grade (KS4 TG)** is the minimum grade your child should be aiming to achieve at the end of their KS4 course (end of Year 11) assuming that they work at all times with enthusiasm, determination and self-reflection.

Target Grades are based on a student's prior attainment at Key Stage 2 and historical information about the performance of students with similar attainment levels across the country. They are set to be aspirational.

You are encouraged to make contact with a teacher directly if you have any queries or concerns regarding this monitoring. Teachers can be emailed directly, we have a standard email address format: [firstinitialsurname@emmbrook.wokingham.sch.uk](mailto:firstname@emmbrook.wokingham.sch.uk) for example: Mr D Beckham, becomes dbeckham@emmbrook.wokingham.sch.uk.

Attitude to Learning (ATL) is the effort your child is making during lessons, with homework and in Tutor Time.

Grade	ATL – Classroom	ATL – Home
A Outstanding	Attitude during lessons is outstanding : <ul style="list-style-type: none"> • Students are never late • Work exceeds expectations - whether in the classroom or via Teams • Constantly seeks ways to challenge and improve as a student • Contributions support the lesson and the learning of the class as a whole 	Home learning attitude is outstanding : <ul style="list-style-type: none"> • Tasks are never handed in late and all deadlines are met • Quality exceeds expectations • Actively demonstrates use of prior knowledge and independent development to support progress in class
