Dear Parents and Carers,

### **Sixth Form Careers Day**

On Tuesday 19<sup>th</sup> March, all of Sixth Form will be taking part in a career's day. Year 13 will be taking part during periods 1 and 2 and year 12 during periods 3, 4 and 5. An outline of the day is below:

This should be a really informative day for all our students.

### **Progression – UCAS discovery day**

Now that the UCAS process is complete for year 13, we shift our focus towards introducing the various progress pathways to our year 12 students. On the 17<sup>th</sup> April, we are offering to take all of our year 12 students to the UCAS discovery day at Farnborough. In order for students to attend, we need to have EV2s returned before the Easter holidays.

### **Sponsored Walk**

Today 15 year 12 students took part in our annual sponsored walk around Dinton Pastures. The atmosphere was excellent and it was heartwarming to see so many students so dedicated to raising money for a wonderful charity. In total, we have managed to raise nearly £600 for Beat. What an amazing achievement!

### **Easter revision session**

Mr Whitehouse has communicated home the dates and times for year 13 Easter revision sessions. Details of what will be covered in each session are included in the letter. These sessions have been put on to support our students with their final preparations for their A level exams.

## **Early closures**

So, you are aware, we have two early closures in the next two weeks. On Thursday 21<sup>st</sup> March, we have an early closure due to a parents' evening. Staff will set work for students to complete in the afternoon. We have then close for the Easter holidays at lunchtime on Tuesday 26<sup>th</sup> March.

Kind regards

David Constable
