

Sixth Form Newsletter 02/02/24

Dear Parents and Carers,

Year 12 Exam week

Year 12 exam week has now been completed. Congratulations to all the students for making their way through the first round of assessments in Sixth Form. Staff are working hard to mark all the papers and the students will be receiving the results in the coming weeks. Monitoring will be shared with home after half term.

UCAS

The UCAS process has now been completed with 46 students applying to join university from September 2024. Students should keep an eye on their emails for updates from UCAS and then information from their selected universities around how to apply for accommodation. We will be taking students through how to apply for finance towards the end of this term.

Careers

Now that the UCAS process has finished, we will be focusing our year 13 careers advice for those 10 students who have not applied for university. Each will be offered a careers appointment and personalized guidance around their next steps. In addition, we now start to shift our focus towards year 12. After half term, we have a number of guest speakers coming in to support year 12 with the start of their career pathways.

ARC

Having been delayed, we have now got a firm date for the ARC session. This session will take place on 21st February, more details will follow nearer the time.

Fundraising Week

Fundraising Week is next week. Events will be taking place from the 5th February to 9th February. The events taking place are:

- Lip Sync Battle
- Ultimate Sixth Former
- Quiz
- Fundraising Fayre

There will then be a non-uniform day on Friday to end the week.

This year we will be raising money for the charity Beat. Beat is the UK's leading charity supporting those affected by eating disorders and campaigning on their behalf. Founded in 1989 as the Eating Disorders Association.
