

Sixth Form Newsletter 03/11/23

Dear Parents and Carers,

I hope you are all had a lovely half term, if you managed to have any time off. This newsletter will focus on the career opportunities for both year 12 and year 13

UCAS

We have now sent 12 of our UCAS applications, which is an excellent number for this stage in the process. We are starting to see the offers coming in. Our aim is to have all the UCAS applications sent by the end of this term. We would encourage you to work with your child at home to support them in making this happen.

Non-UCAS routes

We have started to increase our focus on the non-UCAS entry routes. By the end of next week, tutors and I will have individual plans for those students who are not applying for UCAS and will use tutor time to support those students with finding their progression pathways.
