

22<sup>nd</sup> June 2021

Dear Parents and Carers,

Before we meet you properly at our **Open Evening on 30<sup>th</sup> September**, we wanted to let you know about an exciting opportunity for Year 5 pupils.

For the last few years the Emmbrook School has run a series of 'Masterclasses' with topics including Maths, Classics, Business and Rocket Club. These 'Emmbrook Masterclasses' are a chance for students to immerse themselves in a new topic geared specifically at Year 5 pupils.

Due to the current restrictions in place, this year we will be holding the masterclasses online through Microsoft Teams.

These events will all take place on **9<sup>th</sup> July at 4pm until 5pm** and are a great way for any Year 5 pupil to learn about a new topic, meet teachers from Emmbrook Senior and get inspired for their future.

You can choose from the sessions below, just follow the link and secure your ticket. Invites will be sent out within 48 hours of the event.

Child safety is paramount. If you and your child sign up, please could we ask that you are in the room at the same time. Teachers running the session will make judgements on what is appropriate or not and will remove students if necessary. This protects the others on the call.

Our website has a host of content for prospective parents including virtual tours and curriculum information, [click here](#) to visit. We also have a YouTube channel where many of our videos are uploaded, [click here](#) to visit.

Please feel free to contact me if you have any questions.

**Craig Johnson**

Director of Business and Humanities  
External Communications Lead
