

Thursday 2nd March

Year 11 Geography: Fieldwork to the South Coast and Windsor.

Dear Parents/Carers,

As you are aware, the OCR B Geography GCSE course requires students to undertake a day of fieldwork at the coast, and a day of fieldwork in an urban area. There is no longer any coursework associated with these trips however students will undertake data collection, write a report on this in class, and be expected to answer questions on this report in their exams.

The dates for the trips are:

- Monday 13th March, Highcliffe, South Coast
- Friday 17th March, Windsor

Pupils will depart school at 9:00am and return to school by 4:15pm from Windsor, and 4:30pm from Highcliffe. Pupils who use the school buses will need to make alternative arrangements.

We request a non-refundable voluntary contribution to cover the transport and insurance for the trip of **£38**. Please note that if insufficient voluntary contributions are received we will have to make alternate local provisions for the fieldwork.

Below is a list of things that students will need on the day:

- A packed lunch and a drink as there is limited time in which to buy anything other than snacks and these places are not always open (they are also very expensive!)
- **No** school uniform **BUT** clothing suited to the location e.g sensible shoes/trainers for walking along a beach and a waterproof jacket in-case of bad weather.
- Writing equipment (the department will provide clip boards).
- A digital camera or device from which photographs can be downloaded is really useful for data analysis – this would be the students' own responsibility to look after.
- Sun cream if sunny!

Could you please return the reply slip attached and separate medical form to your child's Geography teacher, and make the payment via our on-line payment system at your earliest convenience but no later than Friday 10th March.

If you have any questions, please do not hesitate to contact me via e-mail at:
bmcgrath@emmbrook.wokingham.sch.uk

Kind Regards,
Mr B McGrath
Curriculum Leader for Geography

GCSE Geography field trip to Highcliffe and Windsor

Please complete the information below and return with payment and a completed medical form by Friday 10th March.
