

September 2022

Dear Parent and Carer,

Welcome back! I hope this letter finds you well and rested; ready for another year of working together.

I am really excited to be back working with such a fantastic year group. I hope that in the coming academic year this continues to be the case and I cannot wait to finish the year knowing them even better than I do now. The year ahead will be busy for all students and I am sure that some are nervous to return, however, please rest assured the year eight tutor team have already been in discussion regarding the aims for the cohort and I know they are all thrilled to be working with this brilliant year group. The main aim is to not only produce students who achieve academically but also well-rounded individuals. I am in no doubt that with support from home this can be achieved and I look forward to playing a part in this moving forward.

For any issues please feel free to contact the amazing tutor team. Their emails are just below linked with the form they are responsible for. As you can see we have a new team but rest assured this is an incredibly strong support network and I am thankful for their support already.
