

Sixth Form Newsletter 03/03/2023

Dear Parents/Guardians,

I hope you are all well.

Sponsored walk

As referenced in my mid week special, we have our Sponsored walk to Dinton Pastures on Friday 10th March.

In response to the amazingly powerful assembly we had this week, we have changed the charity we are raising money for to 'Beat', a charity that works with supporting those who have eating disorders.

We have 20 students taking part in this walk and we are aiming for this to be the start of a wider relationship we will build with this charity.

If you would like to sponsor the students who are taking part in this event, please use the link or QR below:

Year 12 progression evening

We are entering into the launch of progression for our year 12 students. The students have already started to work on their progression pathways in form time, and next Wednesday we have our year 12 progression evening for parents. This event will take place on Wednesday 8th March in the main hall. The aim is to provide parents with the information you need to support your child's application for their post 18 progression pathways.

If you are planning to attend, we would be very grateful if you could fill in the following survey:

Wokingham Half Marathon

We wanted to pass on a quick thank you to all students who supported the Wokingham Half Marathon last Sunday. We had four of our Sixth Form students helping with the carparking at the school and the PTA bag drop at the event. A massive thank you to all these students, we have had a really positive relationship with the race in the past and it is great to see this continue. Obviously, congratulations to any parents who ran the half marathon last week.

Wellbeing

We are aware that as we approach the A level exam season, we are seeing an increase in pressure on the students, and this is being reflected in the pupil voice we undertake. Our core belief is that happy and healthy students make the most successful students and we have a number of interventions we can put in place. All students have a tutor, who will be more than happy to meet them and support them through the exam process. In addition, we can refer to students to the life coach and have the ability to run a life coach course for the

students if needed.

If you feel your child would benefit from a meeting with the life coach, or from the wider life coach course, please contact their tutor and we will look to put the support in place as soon as possible.

Please also refer to the wellbeing plan circulated by Mr Whitehouse for the Sixth Form's wider wellbeing support plan.

Wellbeing is key to success, please do not hesitate to get in touch if you are concerned.

Leavers arrangements

Obviously, we never like to see a year group leave, but unfortunately all the students have to move on eventually and start to pursue their desired career pathways. In order to help with planning of any summer holidays, we are pleased to announce that our leavers day will take place on Monday 26th June. We are still in the planning phase for this event but it will be at school from around 10am until about 1:30pm.

Have a lovely weekend

David Constable
