

Sixth Form Newsletter 17/05/24

Dear Parents and Carers,

I hope this newsletter finds you well.

Year 13 Exams

The year 13 exam season has now started with a number of exams taking place this week. We continue to support our students through this process and will continue to work with them until the end of the exam season. If you have any concerns about your child's wellbeing during these exams, please do get in contact.

Year 12 Exams

The year 12 end of year exams are now just over 4 weeks away. Today, Mr Whitehouse has shared information about these exams with parents and students. All students should now have the details of the material to revise. Curriculum areas are being directed to provide home learning which will support students with these exams. More details will follow over the next week.

Year 12 Work Experience

Work experience week is due to take place from the 1st July. We are using the Unifrog system to arrange our work experience this year. Students will need to find their own placements, supported by the school. They will then need to complete the placement tool on Unifrog so that all the details are stored centrally and the school can approve the placement. Again, more details will follow next week.

Leaver's arrangements

We are planning on having three events to celebrate the success of our year 13s:

- Leaver's day will be held on 1st July. This will run from 10:30 until 1:30 in school.
- Leaver's ball – on the 1st July
- Yearbook – this is now on sale – see details below.

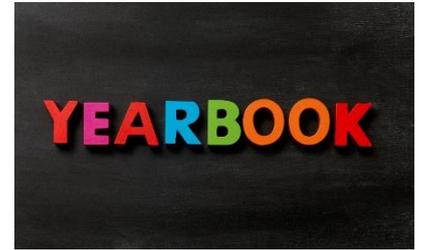

**CLASS OF
24
LEAVERS**

Yearbook

The yearbook is now available for purchase through our ScoPay system. The cost has been set at £25, which is fairly common for yearbooks. The yearbook will be full of memories from the year groups time at the Emmbrook School. The aim is to have the yearbook available for leavers day and therefore we would need the payments for the book by the end of this half term. Any questions, please.

Kind regards

David Constable

Sixth Form Lead
