

31/1/22

Dear Parent/Carer,

We have been informed by EBP that the year 10 Work Experience week will now be the week beginning Monday 11th July. All EBP placements will be during this week. They have contacted the self- placements that were sourced by you and nearly all have agreed to this date,

If there is an issue and the employer that you have organised can only do the week beginning Monday 4th July this will not be a problem and the Work Experience can still go ahead on the originally planned week.

Can I please ask that you contact your self-placement employer just to double check that this is not an issue and e-mail me on the address below if they can only do the week beginning Monday 4th July. This will allow us to compile an accurate list of students that will start on 4th July.

So sorry for any inconvenience caused here. At least we have over 3 months to ensure all is prepared for the Year 10 Work Experience placements with EBP. EBP are finding more even more placements as the Economy opens up after the Pandemic. We are really excited about this opportunity becoming available to Emmbrook students and we hope that it will be as successful as last week's Year 10 Interview day when the feedback from the Business Community and students alike was fantastic!

Thanks to you all.

Kind Regards,

Mr Maskell
