

## **Student responsibility to the local community**

Dear Parents and Guardians

Unfortunately, we have had a number of complaints raised about the conduct of some members of the sixth form community within the local area. There have been a number of issues around the local shops with behaviour that has been viewed as 'anti-social' by members of the local community.

Students are welcome to sign out and to use the local facilities but we would request that they are mindful of the local community and use appropriate areas, such as the fields opposite the school, if they wish to congregate off-site.

We value your support with reinforcing this message.

Kind regards

Mr Constable
