

Progression evening

Dear Parents and Guardians,

Thank you to all those parents who attended the year 12 progression evening. It was fantastic to see so many parents onsite for the first time since Covid.

We covered a vast amount of information last night, all of which I hope was useful. So that the presentation can be seen by as many families as possible, we have placed the powerpoint on the school's website. It can be found by following the link below:

The next two terms are especially important for student's progression and we want to offer as much support as possible to families to help them through the progression process. We will maintain regular communication with key information to keep parents informed of upcoming events. One of the main vehicles we will be using for this communication is the Sixth Form Twitter account. You will find the account by searching for **@Emmbrook6thForm**

In the meantime, if you have any questions about progression please do not hesitate to contact your child's tutor who will be happy to help.

Regards

Mr Constable
