

## September 2022

Dear Parent and Carer,

I hope you had a wonderful summer break and were able to enjoy the glorious weather that we had.

Last year I wrote to you regarding my key message to the year group: 'make getting it right a habit' which seems ever more important with the intense year that is coming up. It is key that we start the year off correctly by getting it right inside and outside of the classroom to ensure that all possible doors are open for your child at the end of this year.

In order to support with this, we have a fantastic tutor team whose details are below should you have any questions or require support for your child. I am delighted to welcome Miss Hedley and Mr Teitel to the team. Mrs Guinn will be working closely with Year 11 with a focus on Care and Conduct and Mrs Panesar will be leading on Year 11 Outcomes. We have a strong team around the year group excited to work collectively to achieve the best outcomes for your child.
