Dear Parents/Carers,

Thank you those of you who were able to attend the live Work Experience parents evening on Monday.

Please see attached a pdf of the slides shared on Monday evening, which go through the process, including the completion of forms.

All students have been issued with a paper version of the forms required. I also attach word versions of these forms and student guidance provided by EBP.

The students have been given a deadline of [Friday 14 October](#) for the submission of forms.

Please do contact me with any questions. As mentioned in the presentation, if you are in a situation where the organisation that you work for can offer work experience, please also let me know.

Kind regards

Faye Andrews
