

**Year 9 Parent Consultation Evening – Thursday 2nd February 2023
(Online Event)**

Dear Parents and Carers,

We would like to invite you to year 9 online parent consultation evening, taking place on Thursday 2nd January from 4pm-6.30pm. This evening will provide an excellent opportunity to discuss current progress with subject teachers and hear their feedback. We encourage parents and students to think of the questions they have before the appointments so they can get the best out of the evening. Teachers will be able to give practical advice on how to make progress.

We use an online booking system which enables you to arrange your appointments. The system allows you to choose your own appointment times with teachers.

Appointments will also run through this system as it is a virtual event. To attend your appointments please login to the system and join the meeting with your child's teacher. Please be aware that the system cuts the video at the end of the appointment which will be 5 minutes; if you have any further queries for your child's teacher then please do not hesitate to contact them via email. Full details of the video appointment system can be found here:
