

30th April 2024

Dear Parents and Carers,

Before we meet you properly at our **Open Evening in September**, we wanted to let you know about an exciting opportunity for Year 5 pupils.

For the last few years, The Emmbrook School has run a series of 'Masterclasses' with topics including Maths, Classics, Business and Rocket Club. These 'Emmbrook Masterclasses' are a chance for students to immerse themselves in a new topic geared specifically at Year 5 pupils.

The Masterclasses will take place over 3 weeks in June and are a great way for any Year 5 pupils to learn about a new topic, meet teachers from Emmbrook Senior and get inspired for their future. We also want to demonstrate our FAIR values.

Family	Ambition	Integrity	Respect
We support each other in everything that we do.	We are determined to achieve excellence.	We are always honest and do the right thing.	We treat everyone and everything with care.

Each session will run from **3.30pm until 4.30pm**. We know that some local primary and junior schools finish at different times, the 3.30 start is a 'best fit'. We are more than happy to accommodate specific needs, just get in contact.

You can choose from any of the sessions below, just follow the link and secure your ticket. We will send further information as we get closer to the event.

Our website has a host of content for prospective parents including virtual tours and curriculum information, [click here](#) to visit. We also have a YouTube channel where many of our videos are uploaded, [click here](#) to visit. Finally, you can follow us on Facebook to see the fantastic work of our students and staff, [click here](#).

We are really looking forward to welcoming you on site. Please feel free to contact me if you have any questions.

Craig Johnson

Associate Headteacher

CJohnson@emmbrook.wokingham.sch.uk
