Friday 21st June 2024

Dear Parents and Carers,

Weekly Update

We have reached the end of the 2023/24 public exam season! This means that all exams for our students in Years 11 and 13 are now complete. The students have done so well throughout the exam season and we have really high hopes for the results in the summer. I'm sure that the students will enjoy the feeling of having completed these exams!

Next Week

We have a very busy programme this week! Here are the highlights:

- Monday: we will say farewell to Year 11 with their Leavers' Day and Prom in the evening.
- Tuesday: the annual summer concert (please note the earlier than usual start time of 6.30pm). Tickets are available on ScoPay, adults £6 and child/concessions £3. We look forward to seeing you there!
- Wednesday: Year 6 into 7 Transition Day and parents meeting in the evening.
- Thursday: Year 11 and 13 Leavers' Evening (please note that due to the number attending, this event has been moved to the main hall).
- Friday: Year 11 in 12 Induction Day.

If you or your child are involved in any of these events you should have received information directly. If you need further information, please don't hesitate to contact us.

Staff Gratitude

As mentioned last week, I would love to recognise the invaluable contribution that our staff make and so here is an opportunity for you to thank anyone who has made a difference this year. If you would like to highlight someone then please use <u>this link</u>. We'll then collate and pass on your comments. Thank you!

PTA Update

A final reminder the PTA are holding a car boot sale here at the school on Sunday to raise money. If you are able to bake or donate a cake for them to sell then please drop these off at school on Sunday. For more information, contact pta@emmbrook.wokingham.sch.uk.

Water Safety from Royal Berkshire Fire and Rescue

With the summer holidays just around the corner, RBFRS is taking the opportunity to remind people to stay safe by respecting the water.

This week is Drowning Prevention Week, a campaign run by the <u>Royal Life Saving Society</u>, which aims to equip people with the knowledge they need to enjoy the water safely. Almost 250 people accidentally drown in the UK every year, with men over the age of 15 accounting for 83 percent of accidental drownings. Click <u>this link</u> to continue reading their article in full.

Have a fantastic weekend!

Best wishes,
